<b>Topic</b>	<b>Discussion</b>	<b>Actionables</b>
Recap	Online vote on Budget Stipend Proposal <b>was successful.</b>  Student Council Retreat: Nov 26-27, in Singapore  All members were supposed to read through the Student Life Survey and make a list of actionables.	
Chief Justice Tee- Constitutional Amendment	Proposed Amendment (Tee) <ul style="list-style-type: none"><li>- Judiciary cannot enact amendments to the Constitution</li><li>- Therefore, Tee is bringing this up as a private citizen who happens to know a bit about the Judiciary</li><li>- Currently, the Judiciary is mandated to give monthly reports on the Student Government</li><li>- It seems odd for the Judiciary to publish monthly reports (only two weeks in the first month, only two weeks in the last month)</li><li>- It would be more efficient to only have two reports-- a Half-Term</li></ul>	<b>Avery</b> to draft the amendment for next week

	<p>report, and an End-Term Report</p> <ul style="list-style-type: none"> <li>- Judiciary to make monthly meeting minutes public</li> <li>- Weekly update from Judiciary: Not necessary, because longer time scope is better to get full picture of the Student Council's activities. Also don't want to plague the public.</li> </ul> <p>Hebe: If there is something egregious going on in Student Council, how does the Judiciary proceed?</p> <p>Tee: Chief Justice (myself) will draft an opinion and communicate via Facebook, email, website. This egregious incident would be extremely rare-- like fraud.</p> <p>Ana: Perhaps have three reports?</p> <p>Tee: You can decide the specifics.</p>	
<p>Athletics: Gym Operating Hours &amp; MPH Air Con</p>	<p><u>Gym Operating Hours:</u></p> <p>Brandon: Met with Li Ling and Peter Low. Both want to extend hours, but two concerns:</p> <ol style="list-style-type: none"> <li>1. Past midnight, less student traffic in the gym, so accidents may go unobserved. This is a security risk. Brandon suggested security guards include the gym, but DoS does not want to overtax Infra.</li> <li>2. Past midnight, the gym may attract drunk/high students, so the gym would be even more dangerous to students. (Rare, but should be considered).</li> </ol> <p>Creating a poll to investigate how many students would be making use of these extended hours. Would need to see how many people.</p> <p>Saza: How are you disseminating this poll?</p>	<p><b>Brandon</b> to create poll to collect data on student traffic in the gym past midnight</p>

	<p>Brandon: Will talk to Hebe.</p> <p><u>MPH Air Con</u> Logan: MPH was air conditioned on a volleyball practice last week....is this an anomaly?</p> <p>Brandon: Yes, this was an accident.</p>	
<p>Budget: Stipend Proposal</p>	<p>Glen: Online vote on Budget Stipend Proposal <b>was successful.</b></p> <p>Glen: Do you have a long-term budget proposal?</p> <p>Aditya: Yes, it is 60% done. In the Budget folder. Per the Constitution, the President should present the Budget. See the Transaction Register Document.</p>	<p><b>Aditya</b> to confer with <b>Saza</b> and <b>Avery</b> so the President can present the Budget at next week's meeting.</p>
<p>External Comms: Weekly Posters, Emails, Judiciary Website</p>	<p>Izzah: Where are the extra admin lifts?</p> <ul style="list-style-type: none"> <li>- Elm admin</li> <li>- Library admin lift</li> <li>- Finance/Admissions admin lift</li> <li>- Performance Hall</li> </ul> <p>Hebe: Mailchimp sends to junk mail; am avoiding this problem by sending Mailchimp email to myself and then from myself to student body.</p> <p>Saza: Please don't call me Queen Saza.</p> <p>Hebe: Congratulations to Judiciary for getting their website online.</p>	
<p>Student Life: Student Survey Report actionables and Donating Meal Taps</p>	<p><u>Student Survey Report Actionables</u> (Sara is absent) Sunwoo: We have a compiled list of actionables. [We go over list of actionables and assign roles, separate document on Student</p>	

	<p>Government Google Drive].</p> <p><u>Donating Meal Taps</u>  Sara: We are probably not packing meals anymore because logistically difficult. (Liability issues with spoiled food).</p> <p>Sara: Now proposing a tap system. In this way, staff (Cleaning staff, security guards, etc) can eat meals in our dining halls.</p> <p>Goal: Have this proposal set up by this semester; first week next semester I will send out an email to students asking to donate meal taps.</p> <p>Saza: So, students would preemptively fill in this form?</p> <p>Sara: Yes. For example, students would say, at the beginning of the semester, that they are donating 5 lunch taps per week.</p> <p>Glen: Is there a portal where people see how many taps they have left?</p> <p>Sara: No.</p> <p>Sara: Next semester, meal taps accorded on a monthly basis.</p> <p>Brandon: Is there a way to opt out halfway through the semester?</p> <p>Sara: No.</p>	
<p>Student Organizations</p>	<p>Scott: Meeting Petrina for the first time as a committee this week. Also revising principles of recognition.</p> <p>Logan: Received a piece of feedback that theatre groups can't choose their leaders, because student organizations are not allowed to be exclusionary.</p> <p>Ana: This is not within our purview: we just recognized and provide funding .</p>	

	<p>Glen: Arts Spaces Meeting— Arts feels that there are too many projects going on, not enough funding. In allotting the budget, may want to limit how many theatre events/performances.</p> <p>Ana: I don't think we should limit the number of performances, since we aren't even with theatre.</p>	
<p>Logistics: Welfare Pack</p>	<p>Michael: Proposal for packs is around \$1.6k. Do we want to spend Student Government, or do we want to take from Community Events funding?</p> <p>Michael: Small plastic bags or really large tote bag? This would cost \$700 more, but may also want to buy more things.</p> <p>Saza: I think we should spend more money on this, because this is a way to reach out to each individual students. This is part of Culture of Care. Benchmark= NUS welfare pack.</p> <ul style="list-style-type: none"> <li>- Own tote bag</li> <li>- Stickers</li> <li>- Chocolates</li> </ul> <p>Izzah: Ask for company sponsorship?</p> <p>Glen: Perhaps Red Bull.</p> <p>Glen: Money can come from 1) Our budget 2) Community Event Spending AND 3) Company Sponsorship</p> <p>Aditya: We can include this as a Semester 1 cost, would be offset by fewer costs in Semester 2 budget.</p> <p>Ana: Talk to Petrina, not Andrew, because this is her job.</p> <p>Avery: Aren't we operating under a budget set by last year's government?</p>	<p><b>Michael</b> to talk to <b>Izzah</b> about finding company sponsorship</p> <p><b>Michael</b> and <b>Avery</b> to send out information about assembling and distributing the Welfare Packs (will occur during Reading Week)</p> <p><b>Michael</b> and <b>Avery</b> to apply for Community Event Funding</p>

	<p>Glen: Are we in agreement that if we can afford it, we get the bigger ones?</p> <p>Ana: Aditya, you need to talk to Petrina. Student Government doesn't function precisely as a student organization.</p> <p>Avery: We will all assemble the Welfare Packs together sometime during Recess Week.</p>	
Liaison to ERT	<p>Glen: Any updates on lighting in the library?</p> <p>Scott: Not yet. I will talk to JinWei Cham about lighting, card access, and Wifi.</p> <p>FreshDesk</p> <ul style="list-style-type: none"> <li>- Meant to simplify the student response spreadsheet</li> <li>- Ended up not being efficient</li> <li>- New suggestion: Set up system which automatically forwards feedback to Directors/Deputy Directors</li> </ul> <p>Hebe: This is kind of difficult to explain simply to students. Barrier to entry. Takes more effort. Might decrease the amount of feedback.</p> <p>Brandon: Students may not know which portfolio to forward this to.</p> <p>Scott: Include the link in Weekly</p> <p>Sara: Send a notification to Student Government members' personal emails when the Google Form is updated. This is in place for Saga RCAC.</p> <p>Glen: Conclusion: NOT moving forward with FreshDesk.</p>	<p><b>Scott</b> to talk to JinWei from ERT</p> <p><b>Scott</b> to look into optimizing current feedback form</p>
Liaison to Infra	<p>Brandon: Infra Town Hall was supposed</p>	<p><b>Sara</b> to ask Dean</p>

	<p>to be on Nov 15, moved to Nov 16.</p> <p>Sara: This is also the date of the DoS Listening Session.</p> <p>Saza: Can't push it back any further because we aren't supposed to have any college-sponsored events during Exam Weeks.</p> <p>Glen: We should stand by our arrangement with Dennis. Advertise both on Weekly Poster?</p> <p>Sara: Combine DoS Listening Session and Infra Town Hall events? Talk about Infra for first half of listening session, and Dining for the second session.</p> <p>Avery: Sounds good.</p> <p>Glen: How big of a space does there need to be? Booked LT1.</p> <p>Brandon/Sara: We have to shift timing of one of the events.</p> <p>Conclusion: Infra Town Hall and DoS listening Session happening on Nov 16, Wednesday. Tentatively 6:30-8pm.</p> <p>Avery: Sara-- ask Dean Bridges if he can attend the evening timing?</p>	<p>Bridges if he can attend revised timing for joint event (Nov 16 6:30-8pm)</p>
<p>Liasion to Arts</p>	<p>Glen: On Tembusu music festival: Offering up Performance Hall and Amphitheatre.</p> <p>Glen: Prof Nirmali Fenn wants to bring in the Kronos quartet.</p> <p>Glen: Copyright issues-- might be worth bringing in Gurjeet, to have a session for students on copyrights (for theatre, music, singing, dance...anything with Intellectual Property).</p>	

	<p>Glen: Update on recording studio: 80% operational, not open for public. If you want to use it, go through Professor Jon He.</p> <p>PR1: Is a music/tech lab now.</p> <p>Get Yale-NUS performances recorded?</p>	
<p>Liasion to PA</p>	<p>Avery: Meeting with Alyson from PA about the Crest next Tuesday.</p>	<p><b>Avery</b> to meet with Alyson from PA</p>
<p>Academics</p>	<p>Timo: DDP students have 5th year housing. To be confirmed if they <b>must</b> stay on campus, or if they can opt out of it.</p> <p>PPE major: Lots of GA courses were not cross-listed as PPE. From now on, all GA courses will automatically cross-listed as PPE. Octant article regarding this.</p> <p>Latin Honors: When are people going to find out?</p> <p>Requests from the student body to collect more information on the Common Curriculum.</p> <p>Hebe: Anonymous Google Doc for Common Curriculum feedback?</p> <p>Timo: That is a bit dangerous.</p> <p>Logan: Feedback- HI isn't cross-listed with history.</p> <p>Timo: HI courses are interdisciplinary: history + another course, so they aren't technically history courses. So they don't count towards a history major.</p> <p>Sara: HI is Common Curriculum, so by definition can't be a class counted towards a major. Also, this is not fair to</p>	

	non-history major students, since SI/FoS etc are not counted towards your major.	
Feedback	Glen: Student dissatisfaction with the predominance of chicken at the dining hall.  “Everything is much more complicated than it seems.”- Sara
