The Student Government's Proposal for a "Partially-Wet Campus"

I. Definitions
   A. "Wet" will refer to spaces where the consumption of alcohol is permitted.
   B. "Dry" will refer to spaces where the consumption of alcohol is forbidden.
   C. "Public" will refer to spaces without owners or administratively determined regular users.
   D. "Private" will refer to spaces with owners or administratively determined regular users.

I. Purpose Statement

Creating an environment that accepts drinking at reasonable levels will:
   A. Reduce the binge drinking culture on campus
   B. Promote safe drinking on campus
   C. Reduces alcohol related injuries and fatalities experienced by students
   D. Encourages support for alcohol related issues that would otherwise occur
   E. Create safe spaces for responsible drinking and socialising

I. House Rules
   A. Spaces in the new campus will be, by default, considered "wet."
   B. Suspension or Revocation of "Wet" Status
      1. Owners or regular users of private spaces can revoke a "wet" status
      2. Rectors and Vice-Rectors can revoke the status of all spaces within the Residential College (RC).
      3. The Dean of Student's can revoke the status of all public spaces outside of the RC.
   C. Events. Both "wet" and "dry" statuses can be temporarily suspended for certain events with permission from the administration or relevant owner
   D. Code of Ethics. A code of ethics with regard to alcohol consumption shall be adopted on campus. If frequently breached, the Dean of Students reserves the right to revoke the "wet" statuses.

I. Recommended "Dry" Spaces
   A. Spaces regularly used for academics (e.g. seminar rooms, lecture halls etc.)
   B. Spaces regularly used for athletics (e.g. MPH, Gym etc.)

      C. Spaces regularly used for official events (e.g. Administrative offices, dining halls etc.)

I. Recommended Code of Ethics
      A. Respect others' preferences and decisions on alcohol. Do not spike others' drinks or otherwise force them to drink alcohol against their will.
      B. Drink responsibly.
